Nobbe Orthopedics, Inc. is pleased to announce the acquisition of Ventura Prosthetics.

Nobbe Orthopedics, Inc. has been providing comprehensive orthotic and prosthetic services as an accredited facility for more than 46 years in two full-time locations in Santa Barbara County. We are now able to extend the same full-service Orthotic and Prosthetic care to past, current and new clients living in the Ventura-Oxnard area.

David Littig, CP of Ventura Prosthetics will continue with Nobbe Orthopedics, Inc. bringing more than a quarter-century of prosthetic experience. This experience includes ongoing work as a consultant to the Veterans Administration, service on the adjunct prosthetics faculty at UCLA and development of several patented prosthetic devices. He is a welcome addition to our patient care team and expands our depth of expertise.

The address and phone numbers remain:
